

## PRIVATE LINES

Single point of contact for metro and long haul Wide Area Network solutions.  
A proven track record since 1992.  
Better communication, better response time and more satisfied customers than our competitors.  
Support for the life of your circuit.

## CORPORATE PROFILE

American Telesis is a provider of Private Lines and Wide Area Network Solutions utilizing a Complete Suite of Data, Ethernet and IP Products with a corporate emphasis on Financial Markets including Specialized Ring Downs, Hoot'n'Holler Networks and True IP Trading Turrets. We have maintained solid growth and profitability for all quarters since inception.

## WHY AMERICAN TELESIS?

Dedication and commitment are the qualities we employ to consistently exceed customer expectations! Our customized Amtel™ software is the most user-friendly, information-intensive and customer-oriented maintenance package available in the telecom industry! We are professionals with a "team" philosophy! No other company provides the level of service and support you receive from American Telesis!
